

TRADITION JULEN STANDS FOR QUALITY AND TRANSPARENCY. FOR THEIR MEATS TOO.

Those that know us, know how immense our appreciation of nature and alpine agriculture is. Sustainability is something very close to our hearts – we live off and with nature, the environment and the animals.

Valais Prime Food – guaranteed 100% Valais

Valais Prime Food brings together like-minded farmers who all share the same values and methods of production as Tradition Julen.

As such, we can assure our guests that every piece of meat marked “Valais Prime Food” on our menu is guaranteed to come from the Valais. Valais Prime Food is of the highest quality, local and species-appropriate. Like Tradition Julen.

- 100% from Valais – born and reared in the Valais, fodder from the Valais and processed in the Valais.
- Exclusive products free from artificial additives
