A Utah Mormon was seated next to a Scottish Catholic on a flight back from the States to London.

After the plane was airborne, drink orders were taken.

The Scott asked for whisky, which was promptly brought and placed before him. The flight attendant then asked the Mormon if he would like a drink.

He replied in disgust: "I would rather be savagely raped by a dozen whores than let liquor touch my lips!" The Scott then handed his drink back and said: "Me too! I didn't know that was a choice.... "
